I was asked by ORD, presumably because of the Pavillion references, which is all I would be providing input on.

Hi all,

Attached is the current version of responses for the QFRs, which includes input and comments from NRMRL, OSP and Virginia. I've included a track changes version and a clean version.

I imagine that we'll need draft final responses to discuss with the IOAA on Monday morning. If you have comments on or changes to these answers, please send them by COB today.

Thanks,

Susan
